**Tincture for the Cure of Burns, Scalds, &c.**

---

**JACKSON'S SPECIFICATION.**

**TO ALL TO WHOM THESE PRESENTS SHALL COME,** THOMAS JACKSON, of Wellington, in the County of Salop, Yeoman, sends greeting.

**WHEREAS** His present Majesty, by His Letters Patent under the Great Seal of Great Britain, bearing date at Westminster, the Ninth day of  
5 December, in the twenty-first year of His reign, hath given and granted unto the said Thomas Jackson, his executors, administrators, & assignes, full power, sole privilege and authority, from time to time and at all times thereafter during the term of fourteene years, to make, use, exercise, and vend his Invention of "**A TINCTURE OR MEDICINE,**" in the said Letters Patent particu-  
10 larly sett forth, within the Kingdom of Great Britain, Dominion of Wales, and Town of Berwick-upon-Tweed; and in and by the said Letters Patent is contained a provisoe in the words following (that is to say):—That if the said Thomas Jackson shall not perticularly describe and ascertaine the nature of his said Invention, & in what manner the same is to be performed, by an  
15 instrument in writing under his hand and seal, and cause the same to be inrolled in the High Court of Chancery within two calendar months next & immediately after the date of the said Letters Patent, that then the said Letters Patent, & all liberties and advantages thereby granted, should utterly cease, determine, & become void, as in and by the said Letters Patent,  
20 relation being thereunto had (amongst other things), will more fully appear.

**NOW KNOW YEE,** that the said Thomas Jackson, in pursuance of the provisoe in the said Letters Patent contained, doth hereby describe & ascertain the nature of his said Invention, & that the same is prepared and performed by him as followeth (that is to say):—

---

*Jackson's Tincture for the Cure of Burns, Scalds, &c.*

---

Take an equal quantity of the oyl of bayes, oyl of palm, turpentine, tar, oil of Peter, and oyl of olives, mix them well together in an earthen jarr; then lett them stand for eight days, stirring them well together for three or four times every day; then take the whole quantity, thus well mixed, & put it into a copper over a fire & gently boil it for three or four hours; then draw 5 it off and filter it, and, when cold, it will be fit to be used as a remedy in all the cases mençoned in the said Letters Patent.

In witness whereof, the said Thomas Jackson hath hereunto sett his hand and seal, this Twenty-third day of January, in the year of our Lord One thousand seven hundred & forty-seven. 10

THO<sup>s</sup> JACKSON.

Sealed & delivered (being first stamped with a five shillings stamp, in the presence of us,

JOHN WINDSOR.

ABR<sup>am</sup> JONES. 15

WINDSOR, Extr.  
AND BE IT REMEMBRED, that on the same Twenty-third day of January, the aforesaid Thomas Jackson came before our Lord the King in His Chancery, & acknowledged the aforesaid Writing, & every thing therein contained and specified, in form above said. & the said Writing was stamped 20 according to the form of the Statute made and provided in the sixth year of the reign of the late King William & Queen Mary, and so forth.

Inrolled the Twenty-seventh day of January, in the twenty-first year of the reign of His Majesty King George the Second.
